SUET NUGGETS

HIGH ENERGY BASE, SOFT NUGGET

High-energy fat base in a soft nugget that is appealing to suet, insect, and fruit eating songbirds. Suet Nuggets can be fed alone in C&S's specially designed Nugget Feeder, on a platform feeder, or used in traditional feeders when mixed with wild bird seed. Nuggets are ideal for year-round feeding. Nitrogen flushed and packaged in resealable bags.

- The easiest way to feed suet!
- No waste, convenient & ready to use
- A favorite of suet, fruit, and insect-eating birds
