SUET NUGGETS

A cleaner, more convenient way to feed suet

C&S Suet Nuggets deliver all the high-energy nutrition of suet in a soft, bite-sized form birds love. Cleaner and more convenient than traditional suet cakes, they're perfect for attracting a wide variety of suet, insect, and fruit eating songbirds and won't melt in temperatures up to 100°F. Versatile and easy to feed year-round, Suet Nuggets can be offered alone in a Nugget Feeder, on a platform, or even mixed with seed in traditional feeders.

- Fast, easy, and fun way to attract more birds
- Won't melt in temperatures up to 100°F
- Soft, nutritious nuggets give birds the energy they need

NO MELT SUET DOUGH CAKES

Made for year-round feeding, anywhere birds call home

C&S No Melt Suet Dough delivers all the energy wild birds need in a soft, dough-like texture that won't melt in temperatures up to 100°F. Made with premium ingredients like beef fat, seeds, fruits, and nuts, each cake attracts a wide variety of birds while minimizing waste. Perfect for year-round feeding, it provides high-quality nutrition with no mess, especially in warmer weather and climates.

- Won't melt in temperatures up to 100°F
- Premium mixes to attract a variety of birds
- Select proteins and fats to energize birds year-round
